

Greely Booster Meeting – November 13, 2007

Present at the meeting: Becky Allen, Janice Selig, Terry Beckmann, Diane Gray, John Stevenson, Barb Lewis, Mary MacDonald, Janet Ferguson, Nancy & Damian Bolduc, Barry Mothes, Jackie Bates, Barry Kurland, Liz Otley, Phyllis Cyr, Hawk, Heather Geoghan, Robyn Barnes, Karen Finnegan, Sarah Kramlich

Treasurer Report – Registration \$ is coming in at this time not much going out at this time. This will change soon.

Booster Meeting notes via email went out. Meeting notes accepted as is by John Stevenson and Mary McDonald seconded.

Rink discussion by Barry Kurland – they are putting together a planning committee to meet on parcel in April or May

Varsity Boys Program – Program starts on Monday 11/19/07 anticipating 30 or so skaters. 29 games are scheduled including a couple in Canada and Presque Isle. Barry reviewed the upcoming games and will be resending the schedule. Discussion opened about approval for expenses to take the team to Presque Isle and was decided to be tabled until a later time.

Becky Allen informed us that Etta Copenhagen wants to sing the National Anthem at the games

Girls Varsity Head Coach Heather Geoghan – 29 skaters for a JV and Varsity teams looking at 2 ice times a week and are doing at present a lot of training.

JV – Damian Bolduc said all is on track and he is getting ready for the season.

Middle School – Diane Gray – schedule is final and we have 12 B and 16 A games scheduled. Tournament this past weekend we had 2 wins and 2 losses. Better already than last year. A second middle school dance was just done and we made \$371.00.

Locker room update – Friday begins install and may have to finish up on Monday but will be done by the time the kids arrive on Monday for the start of the season.

Skate machine – the new one would not go into old outlet so we got the quote of \$2000.00 and we are researching other quotes. We should have those by Friday or Monday.

Craft Fair - organizing is going well and we are meeting again on Sunday at 1:00 at Becky's house. Sign up for the fair will be out front, we will start at 9:00 and run until 4:00 it would be nice to have people ready to go at 8:30 and there will be sign up sheets for 2 hour slots. They will set up for both girls and boys tables as suggested by Liz Otley. We have gotten permission to sell chili and chowder as well this will be handled by Carl Hoffman. It was suggested that the girls work the craft fair and it was agreed\it was a good idea. Jackie has asked that EVERYBODY bring something to craft fair – food or crafts...all welcome.

Golf Committee – Mary McDonald and Alice Ames are the Diva's in charge and we thank them for stepping up they will be assisted by John Stevenson.

Girls program JV did not get bags last year – Varsity got bags last year. The discussion is open about all girls getting bags. Becky stated that it is the same for both in the boys program and others agreed that it should probably be the same for the girls program. The girls have a big surplus in the budget a motion was put forward to buy bags by John Stevenson seconded by Nancy Bolduc.

Girls hockey apparel – it is suggested that we order a sweatshirt by Heather for the girls players and Liz Otley suggested that is we are getting hockey bags for the girls then they should pay for their own apparel.

Girls TA - Liz – they have a list of people who have stepped up but they are still in need of time/clock keepers and they are looking for someone to co-chair the advertising booklets.

Boys TA - Becky said her list of volunteers is coming along but they are still in need of a photographer and a chair person for the Caribbean raffle and we are in need of getting prizes for the chuck-a-puck i.e. pizza gift certificates etc.

Ad Book – the new deadline will be Dec. 1 and Janice will send out a new email telling everybody. Janice HIGHLY RECOMMENDS that someone step up this year to help with ad book as she is a senior parent and will be passing this task off. Ideally a girl and boy parent to take this over would be great.

Open discussion - It was brought up by John Stevenson that maybe we should consider having the boosters club pay for the entire trip to Canada. Concern expressed by Terry Beckmann that we need to be careful with the \$ as we have already spent a good amount of new things going into this season. A motion was put on the table to approve the trip be paid for in it's entirety by the boosters by Becky Allen and seconded by Phyllis Cyr and therefore approved.
